

CORE DEVELOPMENT INSTITUTE

Presents the Seminar

“LIFE SPAN CREATIONS”™

HEALTH AND HEALING for MIND... BODY... SPIRIT...

This is not just a seminar.

This is not just a weekend to sit and learn.

This is not the same old “stuff” with a different name.

This is:

- A weekend of **interactive learning**.
- A weekend to tap into **deeper understandings** and **create change** which spans the rest of your life.
- A weekend to **heal emotional wounds**.
- A weekend to **clear old patterns** and **open pathways** for new beginnings.
- A weekend for **discovering** how you and others communicate at a deeper level.
- A weekend of **learning** to use Emotional Freedom Technique (EFT) to release “stuck” energy patterns.

Presenters: Georgie Weese, BA, CMH and Bonnie Schizzano, RN, MS, CMH

You will Learn:

- √ How to determine what is important to you.
- √ How to understand communication even when no one is talking.
- √ How to clear old emotions that are a hindrance to your growth.
- √ How to create a values centered life.
- √ How to tap out stuck emotional energy and revitalize your body, mind and spirit.
- √ How to overcome habits of destructive obsessions.
- √ How to clear negative emotions of fear, anxiety, anger.....

If you are a **person** that sits back and **wonders** about all the hard work you’ve been doing and it feels like you’re swimming upstream, then this seminar is for you.

If you realize you want change within yourself and just don’t know **where to** start, then this seminar is for you.

If there are elements in your life that you don’t like or want and aren’t sure how to **change** them, then this seminar is for you.

If you feel stuck in old **problems**, old habits, oldand are ready for a new beginning then this seminar is for you.

That's right...basically this seminar is for someone who wants to make significant **change** in their **life**, wants to have tools to heal past hurts, fears, anger and move toward a joy filled, healthy life...yes... this seminar is definitely for you.

What if:

You could leave the seminar with the ability to create a joy filled, balanced life...would this be worth your investment in these three days?

You left this seminar with the tools to enhance healing your mind, body, spirit at the deepest level would this seminar be worth it?

You have the necessary tools to no longer play old tapes that keep you spinning in an old rut, would this seminar be worth it?

Then...make this the seminar you don't miss.

About the presenters:

Georgie Weese, BA, CMH
Certified Master Trainer

Georgie Weese is a Life Coach and Trainer with thirteen plus years training and coaching experience. Georgie worked in a large, financial institution for 20 years so she understands the rigors of life in the business world. Other than training and coaching in the US, she has worked in the UK, the Netherlands and the British Virgin Islands and has coached people from Croatia, South Africa, Denmark, the Netherlands, Belgium and Sweden.

Bonnie Schizzano, RN, MS, CMH
Certified Trainer

Bonnie Schizzano has a Master's Degree in Psychiatric Nursing. She currently works with Veterans with Post Traumatic Stress Disorder. As a Life Coach and Trainer, Bonnie has been helping clients with anxiety, depression, public speaking issues, and work related problems for twelve plus years.
